LIZA TREVIÑO

ALL THAT  
*Glitters*

Alexandria Moreno - clever, sexy, ambitious and, at times, self-destructive - blazes a path from Texas to Los Angeles at the dawn of the 1980s to make her dreams of becoming an A-list Hollywood film director come true. She and her best friend arrive in Los Angeles with little more than hope and the determination to make it big. Will Alex's quest to live fast and take no prisoners on her way to success destroy her in the end?

PRAISE FOR ALL THAT GLITTERS

"Treviño tells her story with wit, intelligence, and an undercurrent of sadness at the plight women face to make a name for themselves as human beings instead of strictly as women."

author and publisher of
